Would you do this again some day?	+	+	+	+	+	+	+	+

**Legend:** + = positive response    ◇ = neutral    - = negative    N/A = Not Applicable

### Project Evaluation Questions

#### Startup:

- As well as you can remember, what brought this fire safety program to your attention, when did you first hear about it?
- As part of our program, our team sponsored meetings, coffee klatches in the neighborhood, distributed printed materials, and had press articles. Were any of these particularly helpful to?
- How big a factor was the cost share in making your decision to participate?

#### Learning:

- What did you learn in the process?
- Is there more you would like to learn?
- Do you feel safer?

*Continued on next page*

**Program support:**

- Did you find the Registered Professional Forester valuable?
- Did you find the project coordinator valuable, the letters, the phone calls?
- Did you find the printed materials valuable?
- Was the PowerPoint slide show, the pictures, helpful in explaining fire safety and what the program does?

**Neighborhood:**

- How has the program affected the neighborhood?
- Has it changed any relationships?
- Did you meet any neighbors for the first time?

**Outcomes:**

- Do you like how the treatment looks, the aesthetics of the forest after treatment?
- Did the program meeting your expectations?
- How do you expect to maintain fire safety on your property in the future?
- Do you need to learn more about future maintenance?
- Would you be interested in a neighborhood fire fund that would help everyone do maintenance every 5 years?

**General questions:**

- What was missing?
- What could have been done better?
- Would you do this again some day?
